

# County of Riverside FREE Household Hazardous Waste Collection Program 2013

Maximum Chemical Load: 15 Gallons or 125 lbs. (per trip)  
CLOSED: During inclement weather or other hazardous conditions  
All sites will accommodate multiple trips if storage capacity allows  
See reverse side for locations and schedule

Use up all hazardous waste when possible.  
Buy right amount of product to reduce leftover hazardous waste.  
Look for alternative products that don't contain hazardous ingredients.  
Offer good, usable products to neighbors, family, or organizations.

Before transporting waste to the collection event or facility, please use this checklist to make sure you have done the following:

- ✓ Remove all valuables from trunk, as well as, all other items that can be mistaken as hazardous and universal waste discards. Note: The program is not responsible for lost or missing items from your vehicle.
- ✓ Limit total chemical load to less than **15 gallons or 125 pounds** for transportation (California State Law maximum transportation limitation).
- ✓ Secure leaky containers and loose loads. If they are leaky, place them in a secondary container or material that will not allow the leak to spread. Place securely in the vehicle for safe transportation.
- ✓ Mark containers to identify contents or keep in original container. The contents of the container must be the same as stated on the label. If not, cover up the label and write the name of its contents. Containers with flammable liquid will NOT be returned (gas cans).
- ✓ Transport waste in a box placed in the trunk of your car or in the bed of your pickup truck and secure to prevent movement and breakage. (Keep items away from passengers)
- ✓ Follow directions once you reach the event site. You will be asked to turn off your motor and stay in your vehicle. The site staff will unload the material from your vehicle.

## PROPER DISPOSAL OF MEDICATION, SHARPS AND NEEDLES

Most medications are not considered hazardous waste and can be disposed of in regular trash. Remove personal information from containers before disposal.

**Liquid**..... Empty liquid medication onto absorbent paper towels or rags and throw IN TRASH.  
**Pill**..... Crush pills, mix with coffee grounds or kitty litter, and dispose of mixture IN TRASH.  
**Inhaler**..... Empty container, expel propellant, and toss empty cylinder IN TRASH.

National Prescription Take Back Day— Spring & Fall collections

For event information and location near you:

[http://www.deadiversion.usdoj.gov/drug\\_disposal/takeback/index.html](http://www.deadiversion.usdoj.gov/drug_disposal/takeback/index.html)

**Sharps/Needles**... Must be placed in a secure approved sharps/needles container and brought to a Household Hazardous Waste collection for disposal.

FREE Biohazard labels are available at the HHW events or by phone (951) 486-3200.

Click on the link below to print your own sharps/needles labels and instructions. Using this label, residents can make their own approved container with sturdy plastic bottles from home.  
<http://www.rivcowm.org/opencms/hhw/index.html#Sharps>

DO NOT dispose of sharps in any curbside recycling or waste container.

## ACCEPTABLE MATERIALS

These items are accepted for FREE from County of Riverside residents

### BATHROOM

Chlorine Bleach  
Deodorizer/Air Freshener  
Disinfectant  
Hair Dye  
Mercury Devices  
Nail Polish Remover  
Shoe Dye  
Toilet, Tub & Tile Cleaner

### KITCHEN

Aerosol Cans  
Aluminum Cleaners  
Ammonia  
Cooking Oil  
Drain & Oven Cleaner  
Floor Care Products  
Furniture Polish  
Moth Balls/Flakes

### GARDEN

Aerosol Insecticides  
BBQ Propane Tanks  
Fertilizer  
Fungicide  
Insecticides  
Pesticides  
Rodent Bait/Poison  
Weed Killer/Herbicide

### WORKSHOP & HOBBY

Caulking  
Fiberglass & Epoxy  
Resins  
Glue & Adhesives  
Gun Cleaners  
Hobby Chemicals  
Paint-Latex/Oil Base  
Paint Stripper  
Paint Thinner/Turpentine  
Photo Chemicals  
Roof Coating  
Varnish  
Wood Preservative

### GARAGE

Antifreeze  
Auto Batteries  
Brake Fluid  
Carburetor Cleaner  
Chrome Polish  
Engine Degreaser  
Fluorescent Tubes/Bulbs  
Gas, Diesel Fuel  
Motor Oil  
Oil Filters  
Old TV's & Computers  
Rodent Poison  
Transmission Fluid

### MISCELLANEOUS

All Batteries  
Artist's Paints  
Camp Propane Tanks  
Electronic Devices  
Fire Extinguishers  
Flea Powder  
Kerosene/Lamp Oil  
Lighter Fluid  
Pool/Spa Chemicals  
Rug Cleaner  
Sharps/Needles  
Spot Remover w/Solvent  
Smoke Detectors
